

# **SVR<sub>2010</sub>** XII SYMPOSIUM ON **VIRTUAL AND AUGMENTED REALITY**

MAY 24TH TO 27TH, 2010 - NATAL - RIO GRANDE DO NORTE - BRAZIL

## ***Minicourse Proposal***

### *Instructions*

*Minicourses aim at promoting abilities specialization, as well as amplifying participants' education/research perspectives. Therefore, SVR 2010 minicourse proposals should be planned aiming at presenting to the community current subjects (intermediary and advanced) related to the areas of Virtual and Augmented Reality.*

*Minicourses should be written in English or Portuguese. Authors may define their presentation layout and a topic based content for proposal acceptance. However, a full text must be submitted for a final acceptance. Accepted minicourses will be published as an E-book with ISBN. The proposals submitted will be evaluated by referees according to the relevance of subject, innovative aspects, previous minicourses presented at SVR, content and final text.*

*The evaluation of proposals will be based on: innovation aspects of the proposed course, relevance to VR community, adequacy of content, subjects presented in last conferences of SVR and authors curriculum.*

*Proposal submissions must follow the template at SVR2010 website. They must be sent by email to Liliane Machado (liliane@di.ufpb.br) with copy to Robson Siscoutto (robson@unic.br)*

*Proposal submission: February 07th, 2010*

*Notification of proposal acceptance: March 01th, 2010*

*Minicourse text submission: March 28th, 2010*

*Final acceptance: April, 1st, 2010*

*SVR 2010: May 24th to 27th, 2010*
